

Christmas Eve Candlelight Service

One of the most memorable and special services of the year, the Christmas Eve Candlelight Service is held in the Laingsburg UMC sanctuary. Come and join us as we sing together Silent Night, Joy to the World and many other Christmas favorites. At the end of the service, as the lights dim and the cares of the world fade away for just a few moments, the candles we hold flicker, reminding us that in the midst of all that is going on in our world, the promise of Christ is born, turning darkness into light.
